Auditioning for the Stuttgart, Erlangen, Munich area.

1) Where they PUNCTUAL?	yes
2) Did they call a lot to find/BOTHER YOU/change the time?	no
3) Did they have long or bothersome NAILS?	No
4) Did they SMELL BAD (like cigarettes, alcohol, body odor) ?	No
5) My pet peeve: Did they TALK TOO MUCH?? (talking during the massage, except for the standard "please roll over now" or "have you had any accidents/injuries in the past?" or "how is the pressure")	No
6) Did they have neat/clean personal HYGIENE?	Yes
7) DRAPING: Was your body covered? (If they are doing your legs and your back is exposed and cold, this is a BIG NO-NO! The body should be covered at all times except for the part that is being worked on. This is very important.)	yes
8) Can they go DEEP?! And I mean DEEP. (Most of my clients expect real DEEP TISSUE massage, THAT is what we are know for. I need to know how deep the LMT can go. Make sure you test them good, as we don't want to let anyone down.)	yes
9) Were they up to date with current License? (Did you review their Diploma(s) and credentials?)	yes
10) OVERALL RATING 1-10 (worst - best)	8
11) Awesome, Good, Moderate, Weak, Poor,	good
12) Pass/Fail	pass

Comment: He seems to be a little bit shy at first sight. Does massages for just a year now, but he is good.
